

## HOST FAMILY STIPEND RATES (STUDENTS OVER 18)

We pay a stipend to our hosts to help cover the day-to-day food and accommodation expenses of hosting a homestay student. Host compensation varies based on location, meals and sometimes other amenities or considerations. Hosts are paid in a two-week cycle, with funds transferred directly into the host's nominated bank account. If you do not see your location or have questions about stipend rates, please email us at [support@studentroomstay.com](mailto:support@studentroomstay.com).
